

## Al Majal Updates

### **Al Majal Hosts an Event for Basra's Children Orchestra at Al Majal Business Park - Burjessia**

Al Majal had the pleasure of hosting an afternoon with Basra's Children Orchestra at the Al Majal Business Park - Burjessia (AMBP). The event took place during part of our company team retreat, starting with an amazing performance by the Orchestra, and followed by a dinner at Al Majal Bean.

This initiative comes out of our belief in the role that performing arts has in preserving and promoting Basra's cultural scene. Al Majal is also extremely proud to have sponsored the new premises for Basrah's Children Orchestra, providing participating children with a safe haven and a positive environment where they can hone their talents and hopefully thrive through music.
